

Choice is a privilege. But what is choice when you do not know your options? **Vårdvalet** does all the things you wish that Vårdguiden would do, and more. With this application you will have full control of your health care, be able to rate, review and choose the right care for your own personal needs.

A new approach to health care

Vårdvalet is bringing the power to you! We believe in an easier way to get quality care for your personal needs. In a time where the alternatives are many, it is important to keep track of what's most important: *you*.

BOOK APPOINTMENTS
Book appointments at a clinic of your choice.

DOCUMENTATION
Get your prescriptions and referrals right to your phone.

ORGANIZE
Collect all your documentation including your medical records, prescriptions and referrals.

PRIVACY
Your information is safe with us. Only you and personnel with your authorization can gain access.

COMPARE AND OBSERVE
Compare, review and keep track of hospitals, emergency rooms and clinics.

ONLINE DOCTORS
Get instant, quick and detailed advice from experienced doctors in your app.

Try Vårdvalet today

We promise that you won't be disappointed! The easy set up with Mobilt BankID will have you up and running in no time.
